The company was founded in 1998. Then it entered the market as Tourist agency "Crimea". Nearly eight years the company successfully worked in the field of mass tourism. In 2006 the company's owners and the brand name changed. Alongside with the name the structure of the product portfolio also changed.

Today the company is working in the following directions:

- business trips
- event tourism
- professional training
- educational tourism
- exhibitions and conferences
- corporate events
- insentiv-tourism
- individual tourism
- beach vacation and excursion programs
